PARENT EVENING

Wednesday, March 14 @ 7:00 p.m.

This program is open to the public, but for adults only. Ms. Greer will speak to students at Holten Richmond Middle School and Freshmen at Danvers High School the same day. It is a good opportunity to learn along with your kids and enhance dialogue around this topic.

KATIE GREER

INTERNET SAFETY EXPERT

Our kids are doing WHAT? What can I do to protect them? What apps should I be worried about? Is social networking safe? Is my child being cyberbullied? What's texting? Sexting? What's next? It's overwhelming being a parent today in our technology-driven society. Keeping up with the latest trends and dangers can often seem like an impossible task. Katie will help you navigate the digital waters and let you know what's new, what's now, and what's next. Katie will include how to use social media in a positive way & provides parents with proactive initiatives to keep kids safe.
