and Service Training for local businesses.

# TIPS TRAINING

Training for Intervention Procedures

**DanversCARES**

"Healthier decisions, healthier lives, healthier futures."

**Wednesday, November 17**

**9am - 2pm**

**The Gordon Room,  
The Peabody Institute Library, Danvers**

Conducted by Mike Marcantonio,  
Dram Shoppe Consultants and Certified TIPS Trainer

TIPS is a dynamic, skills-based training program designed to prevent intoxication, drunk driving and underage drinking by enhancing the fundamental "people skills" of servers, sellers and consumers of alcohol. TIPS gives individuals the knowledge and confidence they need to recognize alcohol-related problems and intervene to prevent alcohol-related tragedies.

This training is open to establishments with liquor licenses in the town of Danvers. The focus of customer intervention is for pouring establishments.
